

# RETHINKING COMMUNITY

**a Stonewall Sports Wilmington Diversity Equity, & Inclusion Initiative**

## Participant Pledge

The Stonewall Sports Wilmington Diversity, Equity, and Inclusion initiative asserts that systemic oppression, microaggressions, racism, homophobia, transphobia, sexism, ableism, bigotry, bias, white supremacy, and discrimination are harmful to individuals and the collective community. We stand in solidarity with all individuals and do not tolerate bias or discrimination on the basis of age, race, sex, national origin, religion, physical or mental disability, medical condition, political affiliation, marital status, gender identity, or sexual orientation.

As a participant in the Stonewall Sports Wilmington community, I pledge to uphold this statement of solidarity in my physical and verbal interactions with other participants, including players, captains, spectators, community sponsors and partners, and board members, during all Stonewall Sports Wilmington events. I pledge to uphold sports personlike conduct at all times. I understand that failure to do so will result in my dismissal from all sports and events.
